

Prefuture User Guide Beta V1.0

what do you really want to do?

1.0 The Basics:

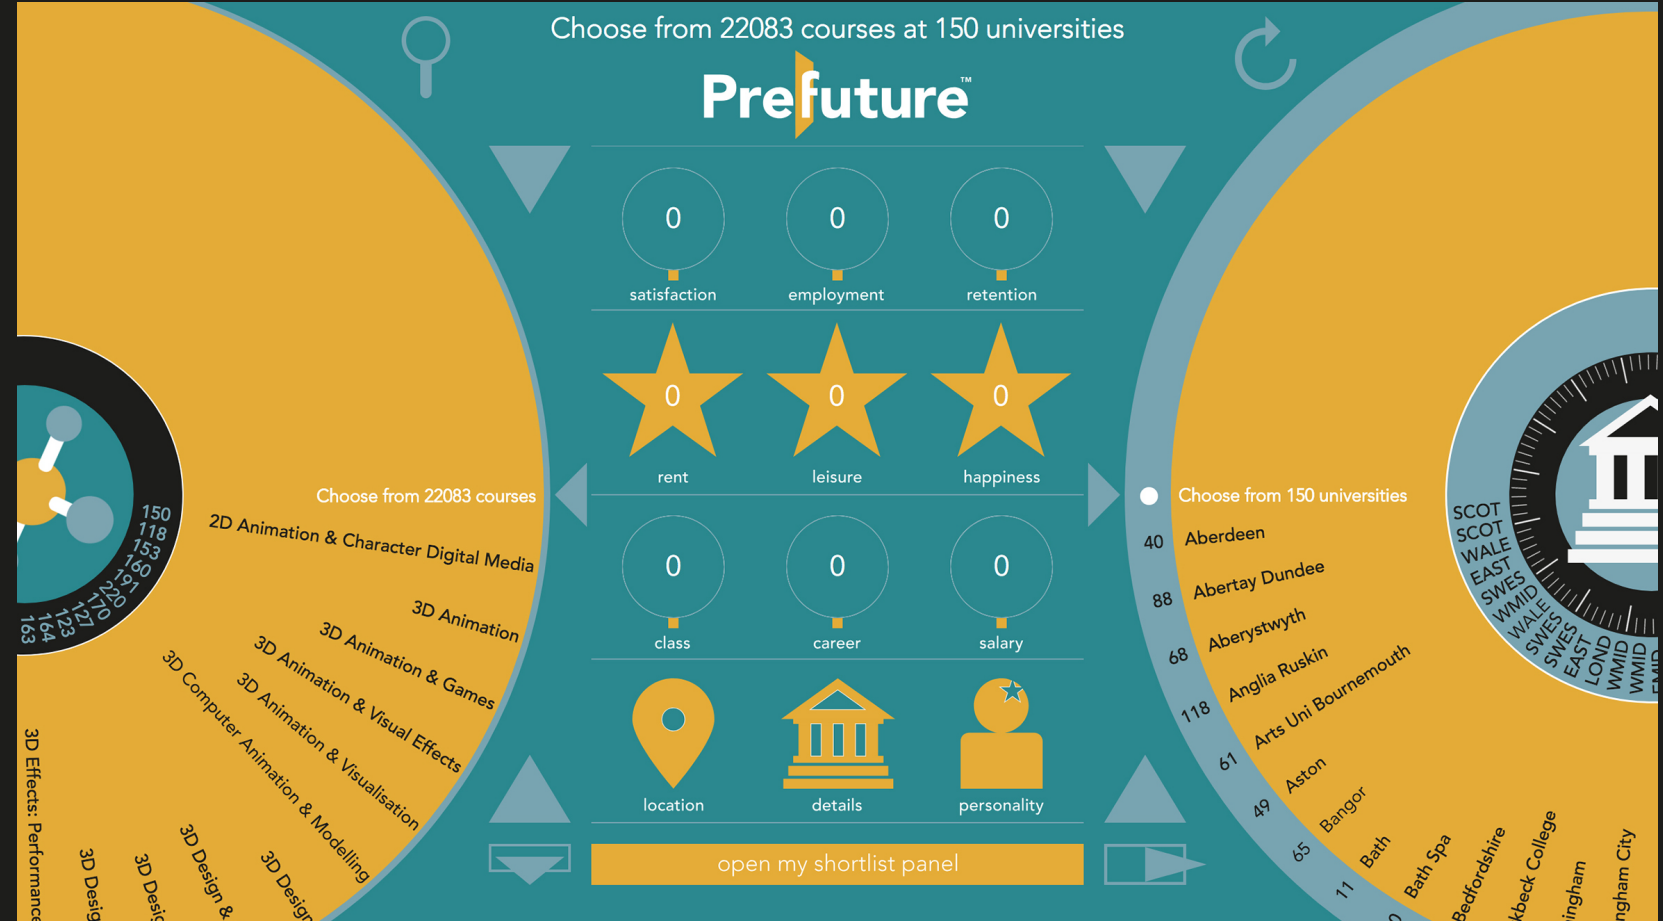

- 1.1 Our applications work best with native mobile browsers on Android and the iPhone. On desktop and laptop choose Google Chrome.
- 1.2 The software is designed to be viewed at full screen.
- 1.3 Scroll bars have been disabled.
- 1.4 On desktop/laptop use the browser 'zoom' function to scale application to your browser window.
- 1.5 On a mobile device the application will automatically scale to full screen size.
- 1.6 To move, scale and zoom the interface 'push and pinch' the background areas.
Note: The gold wheel areas are live rotation fields.
- 1.7 To Refresh the interface click 'Arrow Icon'.

2.0 About Prefuture:

2.1 Click the Prefuture logo to load the Main Menu.

Prefuture™

- 2.2 Introduction.
- 2.3 Guide.
- 2.4 Register > View/Edit Your Profile > Prize Draw > About.
